## 2021 Yearly Trail Fee

Yearly Trail Fees apply to Coyote Creek Golf & RV Resort lot owners only that own their own Power Cart.

A yearly trail fee of \$400.00, plus GST, must be purchased to use your own power cart on the golf course at Coyote Creek Golf & RV Resort. **There is NO longer a daily trail fee available.** All power cart owners, that pay their 2021 Trail Fee will receive a sticker that must be present on the power cart.

A Trail Fee is not required if the power cart is not going to be used on the golf course.

Power cart owners must declare two principle operators of their power cart when used on the Golf Course. One principle operator must be present on the power cart at all times. These rules only apply when the power cart is being used on the golf course.

Your 2021 Trail Fee sticker will be issued to you once payment is received, in full, to be picked up in the proshop.
